Race Distance Changes

If you want to switch from the 10 mile to the 5 mile or vice versa, please do so by contacting me no later than WEDNESDAY APRIL 11th, and we will get you taken care of.

Kids Race:

The 0.5 mile kids 10-and-under race will begin at approximately 8:40 am and will be on a short section of trail near the start/finish. Parents are welcome to jog with their kids, and due to the length of this course, is recommended for the younger ones. This race is free and is not timed or scored, however parents must sign a waiver for their children at registration, as well as pick up a kids race number. All kids race participants will receive a finisher medal. Baby joggers/strollers are welcome in the kids race, however all-terrain wheels will be helpful since the race is on dirt.

Courses:

The run course is clockwise on both trails, so if you wish to pre-run, you'll need to do so on Tues/Thurs/Sat to run in the correct direction and opposite bike traffic.

Both the 5 mile and 10 mile courses will start near the bathrooms and you will have about a half mile of 10' wide trail to space out before hitting the singletrack.

The trail surface is mostly packed dirt, with occasional rocks and roots thrown in. The trail rolls along the shores of Lake Allatoona and while the grades are not too severe, the only flat sections are the first and last half mile.

Aid Stations:

5 mile Course: There will be aid stations at approximately Mile 0.5 and mile 4.5. This aid station will have water, Sports Drink (HEED), and Gels.

10 Mile Course: There will be aid stations available at approximately Mile 5 and 9.3. Be sure to take a gel and water before heading out on Dwelling Loop if you are on the long course. All aid stations will have water, Sports Drink (HEED), and Clif Shots.

Finish Line: There will be water, Gatorade, soda, PB&J sandwiches, cookies, bananas, chips, granola bars, fig bars, Peanut M&Ms, Skittles, etc. available at the finish line.

Chip Timing and Real Time Results:

This race will be scored using the MyLaps Bibtag system. Your race number has a disposable timing chip adhered to the back of it. Please do not bend or fold this chip. Numbers need to be pinned on your front, preferably on your chest. If you wear a number belt, please ensure the number is on your front when you cross the finish line so your chip reads. You will hear a beep as you cross the finish mats. Your race time and category placing will be visible almost immediately upon finishing on tablets that will be located near the finish line. Please check your finish time/category for accuracy when you finish and report any discrepancies BEFORE you leave, as results will become official (meaning won't be changed) 15 minutes after the last person finishes.

Awards:

We will present medals to the top three in each age group in each race, as well as medals and prizes to the top three overall male and female. First place finishers in the 10 mile race will also receive a custom podium T-shirt. Awards for the 5 mile race will be at approximately 10 am. **Awards for the 10 mile race will be at approximately 10:45 am or when most podium finishers have completed the course.** If you are a fast runner, it is advised that you bring some warm, dry clothes for after the race, as it can sometimes take a little longer for some of the smaller categories to get their top 3 finishers in. You must be present to receive your award, as they will not be mailed. If you are in a small category and are still on the course when we have the awards ceremony, you will receive your award as you finish the race.

Thanks again for signing up for our event and we are looking forward to seeing you all on April 14th!

If you have any questions not answered here, please contact me before April 12th. I will be out on the trail most of the day on April 13th and may not be able to get you an answer in a timely manner.
